Multimedial Test

BiGeo

Mali Zvornik, Serbia 2016

Instructions

This test has 40 questions.

Read the question on each PowerPoint slide carefully.

Depending on the complexity of the question, we will give you 30 to 75 seconds for a question.

Each question is multiple-choice. Choose A, B, C or D.

Only one answer is correct.

Mark your choice on the Answer Sheet with a circle around the letter that you want to select. If you make a mistake cross out the selected letter and circle a new choice.

All questions are going to be repeated (5 sec per slide) at the end of the test.

GOOD LUCK!
